NORTH ISLAND TOURS

MEETING OF NATIONS (7 DAYS): A fantastic itinerary inviting students into the realm of Maori culture, allowing a hands-on appreciation and culturally-focused tour throughout New Zealand. Students are given opportunity to visit with local tribes as they live today, encouraging direct interaction and personal growth. Combined with various adventure pursuits as whitewater rafting, waka (Maori canoe) paddling, horse trekking and swim with dolphin options, this itinerary continues to remain one of our most popular.

ECO CHALLENGE (8 DAYS): New Zealand is described as an adventure hub not to be missed, and to prove it, we have taken some of the top adventure activities NZ has to offer and combined them with fantastic accommodation to bring you one of our most exciting itineraries, perfect for the active student. From beach fun in the Pacific Ocean to whitewater rafting, from mountain biking world class trails to beginning kayaking, we combine great adventure with unbeatable locations. Experience one-of-a-kind creations such as zorbing, mountain luge sleds, rock climbing and high ropes confidence courses; throw in an amazing day canyoning in the stunning Waitakere ranges to complete a most memorable experience.

\$1710/pp *based on groups of 20/2 adults foc

ROCK & RIVER KAYAKING & CLIMBING ADVENTURE (8/9 DAYS): Discover two amazing regions and two exciting sports in one week of fantastic educational adventure! Divide into groups to learn basic kayaking, paddle technique and new skills such as rolling and ferrying. On alternate days explore the growing sport of Rock Climbing encompassing safe climbing practice, belaying and abseiling instruction. This excellent itinerary takes students through the beautiful Waikato region with farmlands and rolling green hills, and our famed Volcanic Plateau boasting geothermal sights, thermal pools and remarkable rock forms. A fun day in Rotorua completes this perfect experience.

WAIKAREMOANA KAYAK ADVENTURE (7 DAYS): Aotearoa is a place of culture and heritage, with beauty and tranquility as far as the eye can see. This incredible itinerary focuses on one of our most stunning regions, encompassing remote wilderness, excellent hut and camping facilities and an area laden with Maori lore. Intertwining with one of our Great Walks, students learn navigation, bush survival skills and sea kayaking technique in this beautiful venue, combined with fun adventure in Rotorua and the Bay of Plenty areas.

\$1290/pp *based on groups of 20/2 adults foc

MOHAKA RIVER EXPEDITION (7 DAYS): Providing a unique opportunity to explore another of our scenic resources, students are involved in planning and preparations as we undertake a multi-day river journey along the beautiful grade 2/3 Mohaka River. Students are given opportunity to learn raft guiding skills, water safety and ropes, while assisting their guides in cooking, camp set-up and on-river fun!

\$1610/pp *based on groups of 20/2 adults foc

COAST TO CAVES (7 DAYS): Experience the wonders of West coast life as well as the magnificent beauty of our underground limestone caves in a remarkable journey including coastal kayaking, surfing, horse trekking, Black water Rafting at Waitomo Caves, Glow worms and more. An excellent tour for all adventure levels focused on one of our most precious natural wonders.

SOUTH ISLAND TOURS

WHALES & TRAILS (7 DAYS): Discover one of New Zealand's beautiful marine environments including Abel Tasman National Park, spectacular native forests, and Kaikoura, an area famed for dynamic whale-watching and stunning landscapes. We begin our adventure in sea kayaks, exploring golden sand beaches and picturesque waterfalls in Abel Tasman's pristine sanctuary. Enjoying the artisan township of Nelson, we continue our adventure on the Buller River, opting for exciting Grade 4 rapids or a scenic float trip through beautiful bush. We then travel along the wild East Coast before arriving at Kaikoura and our chance to view whales and dolphins in the Pacific Ocean. This is a special trip that vividly displays NZ's stunning maritime and offers experiences unique to this part of the world.

\$1790/pp *based on groups of 20/2 adults foc

SOUTHERN ENCOUNTER (8 DAYS): A wonderful opportunity to experience the South Island, and its vibrant natural beauty. This itinerary includes scenic kayaking, Franz Josef and Fox Glaciers, adventurous Queenstown and the beautiful Remarkable mountains with thrilling jetboat rides, Rafting or Horse trekking options, and the remote Fiordlands and Doubtful Sound. Ending with glacier pontoon boats and majestic Mt. Cook, Southern Encounter is an excellent itinerary able to be adapted to your group's educational program.
